

London Collection

9-18mm - 1220x2440mm

12-24mm - 2820x1220mm

ekkofelt[®]
ekkoacoustics.com

18mm consists of two bonded 9mm ekkofelt sheets, using specialist glue to avoid a reduction in acoustic efficiency.

24mm consists of two bonded 12mm ekkofelt sheets, using specialist glue to avoid a reduction in acoustic efficiency.

The London collection acoustic material is made from 75% post-consumer waste.
